DIGNITARIES

YOU ARE DIVINE

- "We are the children of the Almighty, we are sparks of the infinite, divine fire. How can we be nothings? We are everything, ready to do everything; we can do everything, and man must do everything."
- "Cherish positive thoughts. By dwelling too much upon negativism, the whole country is going to ruin!....What a botheration! In every soul is infinite strength and should you turn yourselves into cats and dogs by harboring negative thoughts? Who dares to preach negativism? That sort self deprecating attitude is another name of disease- do you call that humility? It is vanity in disguise!....Hurl yourself in the world like an avalanche— let the world crack in twain under your weight!"
