

Department of Hindi

Programme outcome:

Studying Hindi as Major subject in degree level is important for students to develop their literary aptitude and linguistic foundation. The study of its literary texts that reflect the socio-cultural and political interests of different periods of Hindi literary history would assist the students in comprehending the diverse aspects and issues of the concerned authors and tendencies of the time.

The knowledge of this venture can help students find engagement opportunities in various fields like translation jobs, banking, airport staff and other fields of social science other than teaching. It also stimulates learners' creative instinct for getting involved in various cultures of literature and language.

The language Hindi is basically lucid and it has been recognized as *Rastryabhasa* in India observing 14 September as Hindi *Devas*. Hindi literature in India is rich and it has universal appeal. True to say its *lipi Devanagari* is based on scientific reasoning. It is, therefore, India's Prime Minister boldly delivered his speech in the UNO conference in Hindi.

Along with these, Hindi Major Course students also learn different literatures written in Hindi with assorted cultural representations from India. The literary tools learnt by the students under the university curriculum may be applied for literary appraisal and critical thinking. The Department of Hindi focuses on exploring newer ideas latent in the budding talents of the students. The syllabus of the subject provides space for students to get acquainted with the literature and culture emerging through a unique colonial experience and against the backdrop of recent post-colonial political and social events of both urban and rural vicinity of essential global phenomena.

Hindi Department of Pandu College provides students platform for various academic and other important programmes with an environment that is intellectually stimulating and challenging and seeks to teach them not only the discipline in all its dimensions but also valuable life lessons. It fosters diversity, openness and a spirit of courageous inquiry and maintains an easy camaraderie among its faculty and students that is especially useful in the implementation of its programmes. While it maintains an atmosphere that is friendly and helpful the Department prides itself in adherence to schedules, it insists on serious and sustained study. Its faculty and non teaching administrative staff have a reputation for working as a team and many of its activities, like seminars, workshops, curricular revisions and the declaration of examination results in record time are successful primarily because of this capacity to work together.
